## Exploration Day

1,000,000+ ideas → 1,000+ paths → 100+ programs → 1 future

Today's all about you. Make choices about what you want to see and structure your day based on your interests. We know you love hands-on learning – spend some time in the labs and talk with faculty and students during the Academic Explorations, starting at 10 a.m.

### 9 a.m.

#### Check-In

We're glad you're here. Settle in and take a moment to acquaint yourself with this guide. Orient yourself using the campus map on the back.

### 9:30-9:45 a.m.

#### Admissions Presentation

We know you want to get out there to see campus and learn what it means to be a Tomorrow Maker. We'll give you a sneak peek of what you can expect.

### 10-10:45 a.m.

#### Academic Exploration Tour 1

Now you'll check out what interests you most. We'll help get you to your next destination.

### 11-11:45 a.m.

#### Academic Exploration Tour 2

Like what you saw but ready to see more? Let's get you to your next tour.

### 11 a.m.-2 p.m.

#### Your Choice

You have options. Here are some of them: visit our suite-style residence halls, find out about student clubs and orgs, or get info about financial aid. After all that walking and talking, you deserve lunch at Keystone Dining Room. Don't forget to stop by the College Store to learn about buying textbooks and pick up your free T-shirt.
