## Practical Nursing Program

When you enroll in the full-time Practical Nursing program at the Wellsboro campus, you'll be on your way to a fulfilling career in just one year. With skilled faculty, hands-on learning labs, 1,536 hours of instruction, and access to Penn College student services, you'll be confident and ready to take the Practical Nursing licensing exam (NCLEX-PN). And if you want to advance your career, we have pathways to get you there.

### Class & Labs

Learn in our newly remodeled facility with full-time nursing instructors. Over the course of one year, classes & clinical are held four days per week, with some evening or weekend clinical required.

*Equipment within our nursing lab includes:*

Patient simulators:

- ◇ SimMan
- ◇ Multiple sim medication carts
- ◇ Life/form® Auscultation System
- ◇ Sim Defibrillators

### Financial Aid

Financial aid is available, and we're here to help. Learn more about your options at: [pct.edu/admissions/clock](https://pct.edu/admissions/clock)

### LPN to RN Advancement

- ◇ With your LPN licensure and coursework, you'll have 16 credits toward the Penn College LPN to RN associate's degree.
- ◇ LPN to RN classes are online, and only require traveling to main campus once per week (either a Friday or Saturday.)
- ◇ You'll be eligible for the \$1500 Pathways scholarship towards the LPN to RN associate's. Learn more at [pct.edu/scholarships](https://pct.edu/scholarships)
