Additional Transfer Information

- Students must have gained admission to Penn College and met placement requirements.
- Penn College will accept Millville Area School District coursework for Penn College credit for students who enroll at the College within two (2) academic years of graduation from Millville Area School District.
- Students must complete the above listed coursework with a minimum average of 70% over all four (4) courses with no course having a final grade of less than 60%.
- Students must submit a copy of their final official Millville Area School District transcript to Penn College prior to enrollment in order to receive credit for their Millville Area School District coursework.
- Penn College will only consider those credits earned through Millville Area School District for the terms of this agreement. Students must request transcripts from additional institutions to be evaluated on an individual basis at Penn College.
- Credits will post on the student’s official academic transcript upon the successful completion of twelve (12) credits of academic work at Penn College. Prior to completion of twelve (12) credits, for advising and scheduling purposes, approved credits will show on working copies of the student’s academic transcript and on the student’s graduation profile. Whether Penn College credits will be accepted by another college or university is at the discretion of the receiving college or university.
