This pathway agreement establishes a mechanism for students of River Valley School District to earn credit for the below defined coursework at Penn College in Electrical Construction (A.A.S.) and Electrical Technology (A.A.S.).

River Valley School District Coursework	Penn College Coursework	Number of Credit(s)
<i>Electrical Occupations</i> noted on transcript for 10 th , 11 th , and 12 th grades with C or higher each year.	ELT 116: Construction Lab I – Residential	5 Credits

Additional Transfer Information

- Students must have gained admission to Penn College and met placement requirements.
- Penn College will accept River Valley School District coursework for Penn College credit for students who enroll at the College within two (2) academic years of graduation from River Valley School District.
- Students must complete coursework with a grade of C or better (2.0 or better on a 4.0 scale).
- Students must submit a copy of their final official River Valley School District transcript to Penn College prior to enrollment in order to receive credit for their River Valley School District coursework.
- Students must submit a current *Competency Task List* as signed by the program instructor. All tasks must be achieved to industry proficiency level.
- Penn College will only consider those credits earned through River Valley School District for the terms of this agreement. Students must request transcripts from additional institutions to be evaluated on an individual basis at Penn College.
- Credits will post on the student’s official academic transcript upon the successful completion of twelve (12) credits of academic work at Penn College. Prior to completion of twelve (12) credits, for advising and scheduling purposes, approved credits will show on working copies of the student’s academic transcript and on the student’s graduation profile. Whether Penn College credits will be accepted by another college or university is at the discretion of the receiving college or university.

Agreement formalized July 2022
