

Kudos for being a

part of Penn College Dual Enrollment, diving into college-level classes, and embarking on the path to a thriving career.

PENN COLLEGE
DUAL 
ENROLLMENT

Penn College Dual Enrollment is where it all starts.

The dual enrollment experience allows you to explore a future career option while earning free college credits that can be applied towards one or more majors at Penn College.

THE DUAL ENROLLMENT EXPERIENCE HAS LOTS OF PERKS LIKE:

Saving time and money when it comes time to enroll in college.

Access to exclusive Penn College Dual Enrollment scholarships.

Getting familiar with campus and the college experience.

Building confidence in college-level coursework.

PENN COLLEGE
DUAL 
ENROLLMENT

The possibilities never end.

Our 96% job placement rate is proof. Tomorrow needs more Penn College graduates. When you're real-world ready, a future of opportunity awaits.

THANKS TO A HOST OF CONNECTIONS, STUDENTS:

Graduate hands-on ready for in-demand positions.

Build valuable experience through internships.

Network with future employers at career fairs.

Have access to the Center for Career Design, even after graduation.

**REAL-WORLD
READY**

The journey continues at Penn College.

Home to hands-on learning and a community of problem solvers and critical thinkers, Penn College offers diverse majors—from healthcare and IT to welding and plastics.

HERE, YOU WILL HAVE ACCESS TO:

Specialized programs designed to meet industry demands.

Hands-on labs outfitted with the latest tools and tech.

A personal learning experience with expert faculty.

Extensive support services including tutoring and counseling.
