

PATHWAY AGREEMENT FOR HIGH SCHOOLS, CAREER TECHNOLOGY CENTERS (CTC), AND CAREER & TECHNICAL EDUCATION (CTE) SENDING INSTITUTIONS BETWEEN

PENNSYLVANIA COLLEGE OF TECHNOLOGY

AND

JUNIATA COUNTY SCHOOL DISTRICT

This pathway agreement establishes a mechanism for students of Juniata County School District to earn credit for the below defined coursework at Penn College in Building Construction Technology, A.A.S. or Concrete Science Technology, A.A.S.

Juniata County School District Coursework	Penn College Coursework	Number of Credit(s)
722 Building Trades (2 years; 6 credits)	BCT103: Construction Hand & Power Tools	1 Credit

Additional Transfer Information

- Students must have gained admission to Penn College and met placement requirements.
- Penn College will accept Juniata County School District coursework for Penn College credit for students who enroll at the College within two (2) academic years of graduation from Juniata County School District.
- Students must complete coursework with a grade of B or better (3.0 or better on a 4.0 scale).
- Students must submit a copy of their final official Juniata County School District transcript to Penn College prior to enrollment in order to receive credit for their Juniata County School District coursework.
- Penn College will only consider those credits earned through Juniata County School District for the terms of this agreement. Students must request transcripts from additional institutions to be evaluated on an individual basis at Penn College.
- Credits will post on the student's official academic transcript upon the successful completion of twelve (12) credits of academic work at Penn College. Prior to completion of twelve (12) credits, for advising and scheduling purposes, approved credits will show on working copies of the student's academic transcript and on the student's graduation profile. Whether Penn College credits will be accepted by another college or university is at the discretion of the receiving college or university.

Agreement formalized March 2023
